## Glenburn Veterinary Surgeons, Glengormley

[Click here for more information or to apply](#)

**Highly experienced team ready to support another new graduate again**

Glenburn Veterinary Surgeons, situated in Newtownabbey, north of Belfast, boasts a highly experienced team, including recent graduates thriving in their roles. With certificate holders in small animal surgery and medicine, alongside specialised nursing expertise, we provide comprehensive care for our patients.

## Kessock Equine Vets, Drunsmittal

[Click here for more information or to apply](#)

**Equine specific care with cutting edge facilities**

Kessock Equine Vets offers a vibrant equine-centric environment with cutting-edge facilities including video endoscopy, ultrasound, and x-ray. With overnight stabling and paddocks, our purpose-built facility provides comprehensive care for our cherished equine patients.

## Moorview Vets, Newcastle

[Click here for more information or to apply](#)

**Certificate holders and interests including advanced rabbit and small mammal care**

Moorview Vets, situated in the North East of England, boasts a powerhouse team of vets, RVNs and support staff. With multiple certificate holders and expertise in various fields, including advanced rabbit and small mammal medicine and surgery, we provide top-quality care supported by advanced facilities and training.

## Towerwood Vets, Leeds

[Click here for more information or to apply](#)

**We are an RCVS accredited and ISFM Gold standard small animal practice**

We foster a bonded team culture with regular social events and support for mental health. With a dedicated clinical team, comprehensive facilities, and community involvement, we provide the best care and advice available.

## Kingston Veterinary Group, Hull

[Click here for more information or to apply](#)

**Kingston Vets invests in top-tier facilities and ongoing staff training to maintain excellent standards of care**

Our expanded Park Street hospital offers excellent facilities equipped with advanced tools, including ultrasound and CT/MRI machines. With expertise in dentistry, surgery, and medicine, we provide comprehensive services, ensuring consistent, high-quality care, while prioritising both patient and team welfare.

*As a small team, we all work closely together, and get on really well. Whenever we have anyone visit as students or on work experience, we get feedback that we're a lovely and friendly bunch, and that we have the nicest clients!*

Rhiannon Keen  
Head Receptionist  
White House Vets

# Wales and North West England

## Cibyn Veterinary Clinic, Caernarfon

[Click here for more information or to apply](#)

### A diverse learning environment supported by on-site referral services

Located in Caernarfon, our friendly practice hosts a team of 13 vets and seven RVNs. Daily rounds provide opportunities to brainstorm cases and share knowledge. With certificate holders in medicine and ophthalmology, along with ongoing certifications in ECC and exotics, we offer a diverse learning environment supported by on-site referral services.

## Mearley Veterinary Group, Clitheroe

[Click here for more information or to apply](#)

### Welcoming team with varied interests who collaborate with animal charities

Mearley Veterinary Group is a picturesque first-opinion practice in North East Lancashire. Our friendly team includes clinical directors, experienced vets, RVNs, and student nurses, each with diverse interests and readily available for advice and assistance. We prioritise professional development and collaborate with local charities and rescue centres.

## Summerhill Vets, Summerwood Vets, Blackwood

[Click here for more information or to apply](#)

### Brand-new facilities, a friendly team, and gold standard care

Summerhill Vets provides top-notch care in Southampton, with shiny new facilities including separate cat kennels and modern diagnostic equipment. Our friendly team offers gold standard veterinary care and supports professional development.

## Westmorland Veterinary Group, Kendal

[Click here for more information or to apply](#)

### Looking for a role in a picturesque location? Discover a skilled team with advanced facilities in Kendal, Cumbria

Westmorland Veterinary Group in Kendal, Cumbria, is a supportive and friendly first opinion practice with a dedicated team committed to high standards of care. With certificate holders in cardiology and small animal surgery, our practice offers advanced facilities including ultrasound, echo/EKG, and physiotherapy, fostering an open and supportive culture.

## Moy Vets, Hambleton

[Click here for more information or to apply](#)

### Located on the Fylde Coast, we offer a supportive environment with an international team

With a range of experience levels and interests, including equine, small animal surgery, wildlife, and exotics, we provide comprehensive care, supported by on-site ultrasonography and access to specialist services.

*Everyone gets on well and cares about each other. It just makes your day so much nicer.*

Pippa Manning  
Head Nurse  
Unicorn Vets

# Midlands

## Carmel Vets, Wolverhampton

[Click here for more information or to apply](#)

### Fear free focus and top-notch facilities

Carmel Vets in Wolverhampton offers a supportive and friendly environment. With ISFM cat friend silver status, RWAf rabbit accreditation, and a “fear-free” approach, we prioritise the well-being of our patients. Our practice is equipped with top-notch facilities, including a dedicated well-being garden for our team.

## Grange Hill Vets, Lichfield

[Click here for more information or to apply](#)

### Feline focus in a purpose built facility

Grange Hill Vets, located in Lichfield, Staffordshire, offers a friendly and supportive environment within a purpose-built facility. With a focus on feline behavior and nutrition, our team provides high-quality care supported by experienced vets and RVNs, fostering strong client relationships and case continuity.

## Lowesmoor House Vets, Worcester

[Click here for more information or to apply](#)

### Work/life balance and high-quality care

Situated in the beautiful city of Worcester, Lowesmoor House Vets offers a supportive team environment. With a focus on work-life balance and a close-knit team of vets and RVNs, we prioritise staff well-being while providing high-quality care for our clients' beloved pets.

*Every one brings unique skills and interests to the table, and we're always eager to support each other's growth. It's a truly collaborative environment where ideas are welcomed.*

Susie Phillips  
RVN with  
Carmel Vets

# South West and South East England

## Chapelfield Veterinary Partnership, Wymondham

[Click here for more information or to apply](#)

### A large and skilled team ready to share knowledge

The Chapelfield group has been a significant part of the local Norfolk community for many years, offering high-quality care. With over 30 vets covering various disciplines, including dermatology, ophthalmology, and orthopedic surgery, new graduates joining us benefit from a strong support network and experienced clinical mentorship.

## Elm Vet Group, Plymouth

[Click here for more information or to apply](#)

### Ample learning opportunities for new grads

Elm Vet Group, a first-opinion small animal practice in Plymouth, boasts a close-knit team of vets and RVNs. With certificate holders in surgery and medicine, our practice facilities support advanced procedures such as TTA, TPLO, and fracture repair, providing ample learning opportunities for new graduates.

*It's an incredibly welcoming and supportive environment. Everyone makes an effort to welcome and include others. I appreciate the positive atmosphere here and I enjoy working with such good people.*

Laura Owen  
Vet Surgeon  
Oakfield Vets

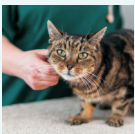

## Wensum Valley Veterinary Surgeons, Fakenham

[Click here for more information or to apply](#)

### The countryside dream with support for your development as part of a mixed practice team covering equine and farm

Wensum Valley Veterinary Surgeons, located in a rural town, boasts a small clinical team of experienced equine and farm vets. Offering educational evenings, talks at local pony clubs, and medicine handling courses for farm clients, our practice encourages discussion and support among staff. With comprehensive facilities and equipment, including ultrasound and shockwave therapy, we are committed to patient care and staff development.

## Unicorn Vets, Southampton

[Click here for more information or to apply](#)

### Unicorn Vets in Southampton is a fully equipped practice with a caring and friendly team

With a medical certificate holder supporting development, we are committed to gold-standard care for our patients. Our welcoming practice is ready to support your start as we provide the best veterinary care.
